

Memberships

Every organization operating in Wisconsin should be committed to giving back to the community, through charitable giving as well as active participation in a wide variety of community, arts, social, professional and other organizations. Whether it's a homeless shelter, planning commission, hospital or theatre, every moment we give to outside organizations helps to improve the quality of life for everyone in Wisconsin.

Davis & Kuelthau is involved with more than 300 organizations throughout the state of Wisconsin.
